Chasing Jillian: A Love and Football Novel By Julie Brannagh

Score a touchdown with Julie Brannagh's latest Love and Football novel—about discovering who you are and finding love along the way.

Jillian Miller likes her job working in the front office for the Seattle Sharks, but lately being surrounded by a constant parade of perfection only seems to make her own imperfections all the more obvious. She needs a change, which takes her into foreign territory: the Sharks' workout facility after hours. The last thing she expects is a hot, grumbly god among men to be there as witness.

Star linebacker Seth Taylor has had a bad day—well, a series of them recently. When he hits the Sharks' gym to work out his frustration, he's startled to find someone there—and even more surprised that it's Jillian, the team owner's administrative assistant. When he learns of her mission to revamp her lifestyle, he finds himself volunteering to help. Something about Jillian's beautiful smile and quick wit makes him want to stick around. She may not be like the swimsuit models he usually has on his arm, but the more time Seth spends with her, the harder he falls.

And as Jillian discovers that the new her is about so much more than she sees in the mirror, can she discover that happiness and love are oh-so-much better than perfect?

Editorial Review

About the Author

Julie Brannagh has been writing since she was old enough to hold a pencil. She lives in a small town near Seattle, where she once served as a city council member and owned a yarn shop. She shares her home with a wonderful husband, two uncivilized Maine Coons, and a rambunctious chocolate Lab. When she's not writing, she's reading, or armchair-quarterbacking her favorite NFL team from the comfort of the family room couch. Julie is a Golden Heart® finalist and the author of contemporary sports romances.

Users Review

From reader reviews:

Ora Barbour:

Information is provisions for those to get better life, information presently can get by anyone on everywhere. The information can be a expertise or any news even a huge concern. What people must be consider when those information which is inside former life are difficult to be find than now is taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you receive the unstable resource then you buy it as your main information you will see huge disadvantage for you.
