**China Doll (TCG Edition)** By David Mamet

"The finest American author of his generation."—*Sunday Mail*

This complex new work from celebrated playwright David Mamet revolves around a wealthy man, his young fiancée, and an airplane. The man has just bought a new plane as a wedding present for the girl. He intends to go into semiretirement and enjoy himself. While in the process of leaving his office, and giving last minute instructions to his young assistant, he takes one final phone call.

The new, widely anticipated play premieres on Broadway this fall, starring Tony and Academy Award-winning actor Al Pacino, for whom the play was written. Pacino described the role of billionaire Mickey Ross as "one of the most daunting and challenging roles I've been given to explore in the theater" and declared, "it blew me away."

**David Mamet** is an American playwright, director, and screenwriter whose most notable works include *Glengarry Glen Ross* (Pulitzer Prize for Drama), *American Buffalo*, *Speed-the-Plow*, *Oleanna*, *November*, *Race*, and *The Anarchist*. Besides the film adaptations of his plays, his major screenwriting credits include *The Postman Always Rings Twice*, *The Verdict*, *Rising Sun*, *Wag the Dog*, and *Hannibal*. Over the course of his prolific career, Mamet has earned Tony Award nominations, Academy Award nominations, Drama Desk Awards, and "Screenwriter of the Year" from the London Critics Circle Film Awards.
