Editorial Review

About the Author

Toni Carmine Salerno is an intuitive artist and best-selling author with a strong interest in spirituality, philosophy and energy healing. Along with his wife Martine, he established the Blue Angel Centers for Wellbeing in Melbourne, Australia which evolved into the publishing company, Blue Angel Gallery, Australia. Through his work Toni lovingly explores and portrays both our physical and spiritual realities. The power of his work lies not in its subject matter, but rather, in the energy that each work emanates. Toni works intuitively; he does not plan what he will paint or write. Each work is an unfolding journey, a meditation packed with feeling and emotion. According to Toni, it is only when we let go of control that the eternal source of creation within each of us, streams through. Preconceived ideas usually only serve to limit or restrict the true essence of the creative energy that we each possess. Toni believes that this principle can be used not only to create art; but in every area of our lives. Our intuition helps us to connect with our spiritual selves. It helps us to connect to a timeless place that exists eternally within our hearts; a place where all is energetically interconnected and nothing is ever truly missing. Intuition is the guidance that stems from our soul.
