Quick Learning Guide for: WorldVistA Computerized Patient Record System (CPRS) Electronic Health Records Software By Dr. Teresa C. Piliouras Ph.D.

INDEPENDENT, RIGOROUS, & OBJECTIVE: The Quick Learning Guide gives a quick and comprehensive walk through the WorldVistA Computerized Patient Record (WorldVistA CPRS) electronic health records (EHR) software. WorldVistA CPRS is based on the EHR software used in the Veterans Administration's hospitals and outpatient clinics. WorldVistA CPRS software is available for free to anyone as download from the WorldVistA website. The Quick Learning Guide covers how to install, learn, and use WorldVistA CPRS. This resource uses a structured approach to demonstrate common clinical and practice management functions and how they are supported. Lots of actual system screenshots and flow charts capture the user experience and major system screens used to perform typical tasks. Other topics include: WorldVistA CPRS technology and development overview; resources for training and technical support; and strengths and limitations of the software. Essential system information is presented in a concise format, sparing the reader hours of painstaking research and time consuming data collection.

Editorial Review

About the Author

Dr. Teresa Piliouras is CEO of Technical Consulting & Research, and founder of its Center for Advanced Research on Emerging Healthcare Technologies. The Center is engaged in on-going research on the functionality of Electronic Health Records (EHR) software, and challenges doctors, nurse practitioners, and practice management staff face when they migrate from paper records to electronic-based record keeping. The goal of this research is to assist medical practices in the adoption of EHR software and in the optimization of their clinical and practice management functions. Dr. Piliouras holds a B.S. from the University of Illinois, a MBA from Iona College, and a Ph.D. from Polytechnic University. She is an entrepreneur, industry consultant, and educator with over twenty years of management leadership and technical experience providing advanced Information Technology solutions to corporations, academic, government, and not-for-profit institutions. She has expertise in advanced information technologies, risk assessment, statistical evaluation, artificial intelligence, bioinformatics, and operations research and industrial engineering. She has held appointments in Computer Science and Management of Technology departments as an Adjunct Professor at Polytechnic Institute of New York University, and Visiting Professor at Iona College. She has authored numerous scholarly books and publications, and is the recipient of numerous awards for innovation, invention, and entrepreneurship. She is actively engaged in promoting the development of new technologies to protect and safeguard individual privacy and safety in this digital age.

Users Review

From reader reviews:

Christopher Jones:

Reading a guide can be one of a lot of task that everyone in the world adores. Do you like reading book thus. There are a lot of reasons why people like it. First reading a guide will give you a lot of new information. When you read a book you will get new information simply because book is one of various ways to share the information or perhaps their idea. Second, reading through a book will make an individual more imaginative. When you reading through a book especially tale fantasy book the author will bring one to imagine the story how the characters do it anything. Third, you are able to share your knowledge to other folks. When you read this Quick Learning Guide for: WorldVistA Computerized Patient Record System (CPRS) Electronic Health Records Software, it is possible to tells your family, friends as well as soon about yours book. Your knowledge can inspire average, make them reading a publication.

Austin Barnes:

Reading can called imagination hangout, why? Because when you find yourself reading a book specially book entitled Quick Learning Guide for: WorldVistA Computerized Patient Record System (CPRS) Electronic Health Records Software the mind will drift away trough every dimension, wandering in each and every aspect that maybe unidentified for but surely can become your mind friends. Imaging each and every word written in a reserve then become one form conclusion and explanation this maybe you never get prior to. The Quick Learning Guide for: WorldVistA Computerized Patient Record System (CPRS) Electronic Health Records Software giving you another experience more than blown away your head but also giving

you useful details for your better life with this era. So now let us show you the relaxing pattern is your body and mind will likely be pleased when you are finished reading through it, like winning a game. Do you want to try this extraordinary paying spare time activity?

Michael Albright:

That book can make you to feel relax. That book Quick Learning Guide for: WorldVistA Computerized Patient Record System (CPRS) Electronic Health Records Software was colourful and of course has pictures around. As we know that book Quick Learning Guide for: WorldVistA Computerized Patient Record System (CPRS) Electronic Health Records Software has many kinds or style. Start from kids until adolescents. For example Naruto or Detective Conan you can read and think you are the character on there. So , not at all of book are generally make you bored, any it offers up you feel happy, fun and chill out. Try to choose the best book for yourself and try to like reading that.

Emery Flores:

As a pupil exactly feel bored to reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their pastime. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Quick Learning Guide for: WorldVistA Computerized Patient Record System (CPRS) Electronic Health Records Software can make you truly feel more interested to read.
