Something in the Heir (It's Reigning Men Book 1) By Jenny Gardiner

He's a prince with a problem, she's a commoner with a getaway plan.

Modern-day Prince Adrian of Monaforte has a most old-fashioned problem: his demanding mother wants him wed to her best friend's daughter, the hard-partying Serena. When his refusal falls on deaf ears, Adrian decides it's time for him to slip away from his gilded cage and figure out his life, all on his own. As luck would have it, event photographer Emma Davison, weary of a revolving door of lost-cause men and tired of her outsider-looking-in career, is in need of her own escape clause, just in time to help a wayward prince in need. And she soon discovers that sometimes a girl's gotta sweep a prince off his feet.

For any girl that's ever held out hope that some day her prince would come...or better yet, hoped that some day she'd come to him.

What people are saying about Jenny Gardiner's books:

"As Sweet as a song and sharp as a beak, *Bite Me* really soars as a memoir about family--children and husbands, feathers and fur--and our capacity to keep loving though life may occasionally bite."

--Wade Rouse, bestselling author of *At Least in the City Someone Would Hear Me Scream*

"A fun, sassy read! A cross between Erma Bombeck and Candace Bushnell, reading Jenny Gardiner is like sinking your teeth into a chocolate cupcake...you just want more."

--Meg Cabot, NY Times bestselling author of *Princess Diaries*, *Queen of Babble* and more, on *Sleeping with Ward Cleaver*

"With a strong yet delightfully vulnerable voice, food critic Abbie Jennings embarks on a soulful journey where her love for banana cream pie and disdain for ill-fitting Spanx clash in hilarious and heartbreaking ways. As her body balloons and her personal life crumbles, Abbie must face the pain and secret fears she's held inside for far too long. I cheered for her the entire way."

--Beth Hoffman, NY Times bestselling author of *Saving CeeCee Honeycutt on Slim to None*

"Jenny Gardiner has done it again--this fun, fast-paced book is a great summer

read."

--Sarah Pekkanen, NY Times bestselling author of The Opposite of Me, on Slim to None

Editorial Review

Review

"SOMETHING IN THE HEIR by Jenny Gardiner is a wonderful tale of love and self discovery, as two people who should have nothing in common, somehow are perfect for each other. The story flows at an enjoyable and natural pace, with plenty of funny moments, alongside the romantic scenes. I love the secondary storyline of Caro and Darcy, and I look forward to the next instalment, to see their relationship develop. SOMETHING IN THE HEIR by Jenny Gardiner is a fabulous short, modern day fairy tale, with interesting characters, and I highly recommend it."

--Linda Green for **FRESH FICTION**

"Jenny Gardiner tells a wonderful, feel good story about an American commoner and a European prince. If you're looking for a quick read that's sure to make you smile, Something in the Heir will do the trick!"

--Bethany Petty for **CHICK LIT CENTRAL**

From the Author

hi! Thanks for taking a look at **Something in the Heir** (and hopefully the rest of my **It's Reigning Men series**). I hope you'll get a chance to read it and I hope you'll enjoy escaping into the world of Monaforte for a while.

I don't know about you, but they had me at "royal wedding" back when Diana and Charles had their fairytale marriage. (Let's ignore the fact that it was not at all a fairytale and practically ended in revenge fantasy...) I actually got to meet **Prince Charles** years ago when I was a photographer in Washington, DC. (back when we all still believed he and Diana had their Happily Ever After). No, he didn't kidnap me and persuade me to help him not be forced into a marriage against his will (funny how he actually had been, though!). But he was rather charming, and far better-looking in person than he came across in pictures. It was fun dabbling in the rarified world of royalty and getting the briefest of glimpses into it, even if only for that brief time. Nevertheless, I have long loved a good royal escape romance, so thought it would be fun to create a modern-day royal series in the vein of the Princess Diaries, only for grown-ups. It's been great fun creating an actual country and this royal family and friends etc. It's been something different for me from a writing perspective to world-build as I have with this, and I hope you have a fun time visiting the royals and their friends in Monaforte!

About the Author

Hi! I'm the author of the #1 Kindle bestselling novel **SLIM TO NONE**; the award-winning novel **SLEEPING WITH WARD CLEAVER**; the **It's Reigning Men series**, including **SOMETHING IN THE HEIR**, **HEIR TODAY GONE TOMORROW**, **BAD TO THE THRONE** and **LOVE IS IN THE HEIR**; the memoir **WINGING IT: A MEMOIR OF CARING FOR AVENGEFUL PARROT WHO'S DETERMINED TO KILL ME** (Simon Spotlight/March 2010), which is now renamed **BITE ME: A PARROT, A FAMILY AND A WHOLE LOT OF FLESH WOUNDS** and available digitally; **ANYWHERE BUT HERE**; **ACCIDENTALLY ON PURPOSE**; and **WHERE THE HEART IS**; as well as the essay collection **NAKED MAN ON MAIN STREET**. I also have a short story in Wade Rouse's fabulous anthology of humorous dog stories, **I'M NOT THE BIGGEST BITCH IN THIS RELATIONSHIP** featuring authors Jen Lancaster, Rita Mae Brown, Sarah

Pekkanen, Wade Rouse and more.

I've had pieces appear in Ladies Home Journal, the Washington Post and on NPR's Day to Day. I joke that I honed my fiction writing skills while working as a publicist for a US Senator. Other jobs I've held have included: an orthodontic assistant (learning quite readily that I wasn't cut out for a career in polyester), a waitress (probably my highest-paying job), a TV reporter, a pre-obituary writer, and a photographer (once being Prince Charles' photographer in Washington!). I live in Virginia with my husband and a small menagerie; we have three grown children. I love all things Italian, dream of traveling to exotic locales, and feel a bit guilty for rarely attempting to clean the house.
