### Anthem: A Dystopian Novel By Ayn Rand

Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated (the use of the words I or Ego is punishable by death).

### Editorial Review

From Library Journal

Rand's dark portrait of the future was first released in England in 1938 and reedited for publication in the United States in 1946. This 50th-anniversary edition includes a scholarly introduction and a facsimile of the original British version, which bears Rand's handwritten alterations for its American debut.

Review

A writer of great power. She has a subtle and ingenious mind and the capacity of writing brilliantly, beautifully, bitterly. (*The New York Times*) --The New York Times

From the Back Cover

He lived in the dark ages of the future. In a loveless world he dared to love the woman of his choice. In an age that had lost all trace of science and civilization he had the courage to seek and find knowledge. But these were not the crime for which he would be hunted. He was marked for death because he had committed the unpardonable sin: he had stood forth from the mindless human herd. He was a man alone.

Ayn Rand's classic tale of a future dark age of the great "We" -- in which individuals have no name, no independence, and no values -- anticipates her later masterpieces, *The Fountainhead* and *Atlas Shrugged*.

### Users Review

**From reader reviews:**

**Ruth Powers:**

Nowadays reading books are more than want or need but also work as a life style. This reading behavior give you lot of advantages. Advantages you got of course the knowledge even the information inside the book this improve your knowledge and information.
