Mind Over Easy (Ted Saves The World Book 2) By Bryan Cohen

### **A teenage superhero. A mind-altering menace. An escalating war.**

Between fighting crime, ignoring the growing Go Home Alien movement and fielding recruitment offers from the federal government, Ted's world is growing more complicated by the day. His one saving grace is his budding romance with Erica LaPlante, a light soul from another world in the form of his dream girl.

Erica is falling for Ted too, but she's also keeping secrets from him to preserve her mission. As Ted, Erica and the rest of the team cope with the fallout from their battle against the dark souls, a new evil ascends on the town with the ability to control what they think, see and feel.

Erica's secrets may hold the key to winning the battle but revealing them could sacrifice the war.

*Mind Over Easy* is the second novel in a YA sci-fi/fantasy series that features breathtaking action, frightening horror, laugh-out-loud humor and a hint of romance. Author Bryan Cohen continues to adapt his love for Buffy the Vampire Slayer and all things Joss Whedon in the second book of the *Ted Saves the World Series*.

**Buy *Mind Over Easy* to continue the edge-of-your-seat series today!**
