

The Traveler's Gate Chronicles (Complete) (The Traveler's Gate Trilogy Book 0)

By Will Wight

The Traveler's Gate Chronicles (Complete) (The Traveler's Gate Trilogy Book 0) By Will Wight

Together in one volume for the first time, the Traveler's Gate Chronicles are nine short stories that provide depth and breadth to the world of the Traveler's Gate Trilogy. (They have been published separately as the mini-collections Tower of Winter, Gardens of Mist, and The Lightning Wastes.)

These stories each follow a different Traveler on a journey through one of the mystical Territories that make up the fascinating world of the Traveler's Gate Trilogy.

In Tower of Winter, Traveler Donia Sarkis comes face-to-face with the ancient powers hidden within Helgard's mysterious sixteenth floor.

The Feathered Plains follows Denner Weeks of Valinhall in his attempts to avoid assassinating a fifteen-year-old Avernus Traveler who has seen the future.

The Crystal Fields is a retelling of an ancient legend that Lirial Travelers have passed down for generations.

In Gardens of Mist, one man finds out what happens when you trust your senses in the Mists of Asphodel.

Maelstrom of Stone features an impatient young Ornheim Traveler named Chloe as she risks her life to rescue an enemy.

In The Steel Labyrinth, Valin--a famous Damascan swordsman--finds himself introduced to the treacherous clockwork maze known as Tartarus.

In The Lightning Wastes, Leah hires a familiar bodyguard to help her recruit some wayward Travelers of Endross.

Caverns of Flame features a young Traveler-in-training as he's faced with a rival he can't beat and a test he can't pass.

In the final story, Ragnarus, the first Queen of Damasca gives her life fighting the Incarnation of Elysia.

These stories are set in the universe of the Traveler's Gate Trilogy, which begins in the novel House of Blades.
