Wealth Magick: The Secrets of Extreme Prosperity By Damon Brand

In his popular *Magickal Cashbook*, author Damon Brand taught readers how to attract money in moments. In *Wealth Magick*, he reveals the closely guarded secrets of the super-rich.

WARNING: This book uses angels and demons to attain your desires. The entire operation is made safe by three omnipotent angels who oversee the operation, but if the thought of working with demons makes you squeamish, look to my other books such as *Words of Power*, *Magickal Angels* or *Magickal Riches*, which have no demonic content.

This book is designed for those who want to focus on long term wealth creation. It is not designed for those in desperate poverty, but for those who can afford to turn their attention to wealth. As you can see from the reviews, it works for those who put the time and effort in, fearlessly. If you are afraid, or unwilling to make the commitment, it's probably not for you.

Damon says, 'To be clear, and for the sake of complete honesty, I am not super-rich, but I am extremely wealthy compared to where I was in previous years, and compared to my childhood I feel like a billionaire. To me this is extreme prosperity, because I never have to worry about money, I get to do everything I want to do, go the places I want and own the things I've always dreamed of having.'

How rich you become is up to you.

Wealth Magick concentrates the best magick into a series of workings that will enable you to attract the wealth you desire. If you want money, it's yours.

You do not have to spend years performing endless spells or make offerings to dangerous spirits. This method has been concentrated into the purest magick. You begin attracting wealth from day one.

Magick is often over-complicated. Damon says, 'Before you know it you're trying ten different methods at once and your house is filled with candles, altars, incense and all sorts of images, crystals and magickal gadgets.'

The good news is that most of this can be thrown out. Everything you need is contained in *Wealth Magick*.

The magickal operations in this book are not about attracting a little extra cash. They are about creating a completely new lifestyle, based on a flow of extreme prosperity. This is not a quick fix, so only go ahead if you genuinely want to focus on creating wealth and if you are willing to accept the challenges and changes that come with extreme wealth.

You will discover:

The #1 mistake people make when trying to manifest money.

A set of secret seals, drawn from ancient texts and combined with modern magick.

How to find out what you really want, and perform your magick safely.

A quick ritual for attracting cash.

7 wealth workings that can not be found anywhere else.

DISCLAIMER: Magick is not for everybody. If you are drawn to magick, you will get good results. If you are afraid of magick, you will not. The magick in Damon Brand's books has been developed by The Gallery of Magick to get results safely. There is plenty of evil in the world, but there is no evil in these books. You will not be punished by karma or chased down by demons, and there is no magickal backlash that will punish you for being rich. But if you are afraid of magick or think that magick is evil or that you are underserving of wealth, this book is not for you. If you're uncertain, you can read more about magick on the website. If you feel that magick can help you take control of your life, then welcome the power that this book offers.

Editorial Review

From the Author

A book like this will always be controversial. The methods and claims may seem outrageous to some. Despite this, those who actually *use* the magick as instructed have told their stories of success, and this outweighs any negativity that others may feel toward this style of magick.

About the Author

Damon Brand has published twelve best-selling titles, with well over a thousand five-star reviews.

When he was twelve years old, Damon discovered that magick works. He became friends with other occultists and they formed a group working to explore the boundaries of the possible. There are seventeen members of The Gallery of Magick, and they have experimented with countless magickal ideas, always trying to get better results. Over several decades they have refined their methods to create magick that works.
