Where's the Groom? (a romantic comedy) By Sophie Meyer

Ashley, just turning thirty, is stuck with a string of bad dates that keep getting worse. The last of her group of friends to be single, she's quickly becoming hopeless about finding The One.

When a friend convinces her to attend a new-age workshop on making your dreams come true, she gets onto a roller coaster she can't get off of. The poignant and hilarious comedy of errors begins. The workshop sweeps through her life like a tornado and turns her reality upside down. She is told: visualize it, and he will come. But Ashley takes it seriously, and before she knows it, she's planning a wedding. There's only one problem: there's no groom.

Things quickly spiral out of control as one misunderstanding after another occurs, and Ashley's friends and family find out a wedding is happening, and want to know who the groom is. Backed into a corner, she finds herself having to lie, and to make her wedding planning more and more a reality. Things intensify as Ashley chooses her bridesmaids and is caught in a whirlwind of looking for dresses, choosing a venue, finding a band, and everything else. Soon a date is set, invitations are sent out, and there is no backing out!

In the meantime, Ashley is desperately dating, hoping for The One to show up in time! In a shocking ending with a twist, Ashley draws true love into her life in the most unexpected way.

Editorial Review

Users Review

From reader reviews:

Carlos Terrill:

Information is provisions for folks to get better life, information presently can get by anyone with everywhere. The information can be a know-how or any news even an issue. What people must be consider any time those information which is inside the former life are challenging to be find than now could be taking seriously which one is acceptable to believe or which one the resource are convinced. If you get the unstable resource then you understand it as your main information there will be huge disadvantage for you. All those possibilities will not happen in you if you take Where's the Groom? (a romantic comedy) as the daily resource information.

Shannon Lynch:

Playing with family inside a park, coming to see the ocean world or hanging out with close friends is thing that usually you will have done when you have spare time, after that why you don't try factor that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Where's the Groom? (a romantic comedy), you could enjoy both. It is very good combination right, you still would like to miss it? What kind of hang type is it? Oh can occur its mind hangout fellas. What? Still don't understand it, oh come on its called reading friends.

Shane Hamilton:

In this era globalization it is important to someone to receive information. The information will make a professional understand the condition of the world. The condition of the world makes the information simpler to share. You can find a lot of referrals to get information example: internet, magazine, book, and soon. You will see that now, a lot of publisher which print many kinds of book. The actual book that recommended to you is Where's the Groom? (a romantic comedy) this reserve consist a lot of the information with the condition of this world now. That book was represented so why is the world has grown up. The dialect styles that writer value to explain it is easy to understand. The particular writer made some analysis when he makes this book. Here is why this book appropriate all of you.

Brittany Gonzalez:

This Where's the Groom? (a romantic comedy) is completely new way for you who has curiosity to look for some information given it relief your hunger details. Getting deeper you onto it getting knowledge more you know or perhaps you who still having little bit of digest in reading this Where's the Groom? (a romantic

comedy) can be the light food in your case because the information inside this book is easy to get through anyone. These books produce itself in the form that is reachable by anyone, yeah I mean in the e-book application form. People who think that in book form make them feel drowsy even dizzy this e-book is the answer. So you cannot find any in reading a guide especially this one. You can find what you are looking for. It should be here for anyone. So , don't miss this! Just read this e-book style for your better life as well as knowledge.
