## Q&A

### **I'm totally inexperienced, will this book help me?**

Yap. This book is written with the inexperienced shoulder-shrugging nice guy (that I was myself) in mind. You will learn the fundamentals of attraction and I show how you build a personality so that women will be attracted to you naturally.

### **I'm naturally introverted is this book still a match?**

There is nothing wrong with being introverted. I'm an introvert myself. You can attract women as an introvert as well. Confidence and success with women have nothing to do with being intro- or extraverted—it has to do with being attractive. And that's what you'll learn.
