**Bible Acrostic Code Mysteries: Revealing DNA, Fractal and Quantum Creative Linguistics** By MR Carl Armstrong

There is always an excitement of adventure as we explore the unknown. Scientists making discoveries about DNA, Fractals, quantum mechanics and hidden dimensions of the universe experienced that thrill. Is there a similar Eureka! moment when we find scientific principles embedded in ancient scripture? Those that sailed the vast Atlantic to the “New World” brought back wondrous stories of peoples and lands. Those that ventured into space for the first time and even set foot on the moon captured the imagination of earth’s people. Ride along with us as we journey through the largely unexplored land of Bible acrostics. Yes, these acrostic verses with lines that have words in a pre-arranged alphabetical pattern have their own beauty as prose and poetry. Many Bible scholars have acknowledged and appreciated that over the years and centuries. But further exploration reveals these acrostics have a coded pattern in which mysteries of DNA, fractals, hidden dimensions and quantum mechanics are revealed. Are the modern ‘discoveries’ of science uncovering what was already embedded in scriptures from ancient times?
