Editorial Review

About the Author

David M. Newman earned his B.A. from San Diego State University in 1981 and his graduate degrees from the University of Washington in Seattle (M.A. 1984, PhD 1988). After a year at the University of Connecticut, David came to DePauw University in 1989 and has been there ever since. David teaches courses in Contemporary Society, Deviance, Mental Illness, Family, Social Psychology, and Research Methods. He has published numerous articles on teaching and has presented research papers on the intersection of gender and power in intimate relationships. Recently most of his scholarly activity has been devoted to writing and revising several books, including *Sociology: Exploring the Architecture of Everyday Life: Brief Edition* (Sage, 2017); *Identities and Inequalities: Exploring the Intersections of Race, Class, Gender, and Sexuality* (McGraw-Hill, 2017); and *Families: A Sociological Perspective* (McGraw-Hill, 2009). His most recent book, *Redemption or Stigma? The Promise, Practice and Price of Second Chances in American Culture* (Lexington Books), is projected to be published in 2019. It examines the cultural meaning, institutional importance, and social limitations of “second chance” and “permanent stigma” narratives in everyday life.

Kimberly J. McGann (Ph.D., SUNY-Buffalo) is Associate Professor of Sociology at Nazareth College in Rochester, N.Y., where she regularly teaches introduction to sociology, marriage and families, race and ethnicity, and mass media and popular culture.

Users Review

From reader reviews:

Jamie Brewer:

Do you have favorite book? In case you have, what is your favorite's book? E-book is very important thing for us to find out everything in the world.
