**Devoted** By Sierra Riley

*“To have and to hold, in sickness and in health.”*

*“I can't do this alone.”*

Russ Callaghan knew he was going to struggle after his wife's death. He just never realized how much. As a single dad, he's tried to balance paying the bills with making time for his son, Ryan. He's been treading water for a long time and right now, his best friend, Jake, is the only thing keeping him afloat. But when his son needs major surgery, Russ isn't sure anyone can save him from going under.

*“I'd do anything for you. You know that.”*

Jake Larson has been in love with Russ since college, but he knows they'll never be more than friends. Even so, he can't seem to stop himself from coming to Russ' rescue. With Russ facing bankruptcy thanks to his terrible insurance, Jake concocts his most desperate plan yet: A sham marriage to get Ryan on his policy.

*“You're the only thing that feels real to me right now.”*

It was supposed to be temporary, but when an insurance agent questions the validity of their marriage, Russ and Jake are forced to get a whole lot closer. Jake knows that once their time is up, they'll go back to being friends regardless of what they've shared. But after having Jake as a partner both physically and emotionally, Russ isn't ready to let go. Can they manage to turn their fake marriage into something real?

*Devoted is a steamy, standalone gay romance novel with a HEA and no cliffhangers.*

### Editorial Review

#### About the Author

Sierra Riley was born and raised in a small town where she spent all her time reading under trees before she moved to the Bay Area to pursue her own love story. She writes the kinds of books she loves to read: rollercoaster rides with happily-ever-afters. She's rarely at a loss for ideas, and credits her wonderfully supportive friends with helping her stories actually make it onto the page, as well as her husband and kids for giving her the chance to follow her dreams. When Sierra isn't busy writing, she enjoys knitting, traveling, listening to the Pet Shop Boys, or just curling up with her dogs and cats and devouring a good book.

### Users Review

#### From reader reviews:

##### Graciela Cook:

What do you consider book? It is just for students since they are still students or it for all people in the world, the particular best subject for that? Just you can be answered for that issue above. Every person has various personality and hobby for every single other. Don't to be forced someone or something that they don't want do that. You must know how great and important the book Devoted. All type of book can you see on many solutions. You can look for the internet options or other social media.

##### James Brown:

As people who live in the particular modest era should be upgrade about what going on or data even knowledge to make these individuals keep up with the era which is always change and move forward. Some of you maybe may update themselves by reading through books. It is a good choice for you personally but the problems coming to you is you don't know which you should start with. This Devoted is our recommendation so you keep up with the world. Why, since this book serves what you want and want in this era.

##### Michael Marchant:

Do you like reading a reserve? Confuse to looking for your best book? Or your book ended up being rare? Why so many issue for the book? But any kind of people feel that they enjoy for reading. Some people likes looking at, not only science book but in addition novel and Devoted or perhaps others sources were given information for you. After you know how the fantastic a book, you feel need to read more and more. Science book was created for teacher or perhaps students especially. Those guides are helping them to add their knowledge. In additional case, beside science reserve, any other book likes Devoted to make your spare time more colorful. Many types of book like this.

## **Marivel Tye:**

Reading a guide make you to get more knowledge as a result. You can take knowledge and information from your book. Book is composed or printed or outlined from each source that will filled update of news. In this modern era like now, many ways to get information are available for anyone. From media social such as newspaper, magazines, science book, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Do you want to spend your spare time to spread out your book? Or just looking for the Devoted when you needed it?
