Kingdom Keepers III: Disney in Shadow By Ridley Pearson

With the adventures set forth in the first books now behind them, *Kingdom Keepers 3: Disney In Shadow* follows the five teens, Finn, Philby, Willa, Charlene, and Maybeck as they search to find Wayne, their mentor and head Imagineer who has mysteriously gone missing. Concerned Wayne has been abducted by the Overtakers-Disney villains, who along with other Disney characters, take over the parks when the turnstiles stop spinning, and want desperately to steer the parks to a far darker place-the five kids pick up a major clue from a close friend, Jess, whose dreams (nightmares, really) often accurately predict the future.

The very few clues from Jess's dream lead the kids into Disney's Hollywood Studios and Epcot--through imaginary worlds that become real, by imaginary kids who are real. Each clue seems tied to the last, and with the stakes growing ever higher, what starts out as a puzzle ends up as a fight for their lives. Through a transparent paper box, a quest for a sword, rides on Soarin' and Maelstrom, life-and-death encounters with giant snakes, and a devious Maleficent, the Kingdom Keepers not only begin to decipher deeper meanings to the clues, but discover new truths about themselves and their ever-growing friendships.

Editorial Review

From School Library Journal

Gr 5-8—In Ridley Pearson's third installment (Hyperion, 2010) of the Kingdom Keepers saga, the five teenage Disney hologram guides (DHIs) are once again transported at night into Disney World to solve a crime. When the Disney Imagineers originally developed the holograms out of real teenagers, they didn't know Finn, Philby, Willa, Charlene, and Maybeck would be able to cross over into the park when they went to sleep at night. During the day, the park offers its world-famous adventures, but at night it's plagued with evil doers. The DHIs discover that their mentor and head Imagineer, Wayne, is being held hostage somewhere in the park. A close friend's dream points them to the Hollywood Studios and Epcot, but a lost remote, used for getting them out of the park, takes away their ability to return to their sleeping bodies and traps them as holograms. They enter the rides hoping to discover clues along the way, but danger awaits them at every turn. The villains are deliciously evil, making their ultimate defeat all the more urgent. This volume can stand along, but the story line begins with events in the first two books. MacLeod Andrews gives the characters distinct voices and conveys the thrill of the chase. The behind-the-scenes interaction with Disney World makes these stories unique.—Robyn Gioia, Bolles School, Ponte Vedra, FLα(c) Copyright 2010. Review

Praise for

The Kingdom Keepers: Disney After Dark:

“The adventure makes cunning use of Disney’s mythos.”—

Kirkus Reviews

“The illicit thrill of seeing all the things you don’t normally get to see (both real and imaginary) makes this a must-read for serious Disney fans.”—

School Library Journal

“This is a read-with-the-flashlight-under-the-blankets-until-two-in-the-morning kind of book, taking familiar scenes and places and turning them upside down.”

—
Washington Post

About the Author

Ridley Pearson is the award-winning co-author, along with Dave Barry, of *Peter and the Starcatchers*, *Peter and the Shadow Thieves*, *Peter and the Secret of Rundoon*, *Peter and the Sword of Mercy*, *Escape From the Carnivale*, *Cave of the Dark Wind*, *Blood Tide*, and *Science Fair*. In addition to *Kingdom Keepers: Disney After Dark*, *Kingdom Keepers: Disney at Dawn*, and *Kingdom Keepers: Disney in Shadow* he is also the author of the young adult thrillers *Steel Trapp: The Challenge* and *Steel Trapp: The Academy*.
