**Sergio Aragonés's Groo: Library** By Sergio Aragonés, Mark Evanier

What's a guy who barely knows how to read doing with his own library? Even he couldn't resist the four classic (i.e., reprint) Groo tales collected in this handsome volume, including the acclaimed tale of "Rufferto Reverie" -- the grand fantasy of Groo's constant canine. As usual, the Eisner-winning duo of Sergio Aragonés and Mark Evanier make a buck (but not much more) recycling old stories for your pleasure.

### Editorial Review

From the Publisher

Sergio Aragonés has enjoyed a long, ink-stained life making people all over the world laugh at his silly-and often MAD-antics. Few entertainers in the world share Aragonés' far-reaching appeal, and his success is a result of not only his easily recognizable talent for finding side-splitting humor in everyday settings; it also has a lot to do with his chosen medium-cartooning. After his parents emigrated from Spain to Mexico in the early 1940s, Aragonés became an avid artist, sketching, drawing, and lampooning his way through Catholic school and through four years of architectural studies at the University of Mexico. He even experimented with short stints studying pantomime under the legendary Alexandro Jodorowsky, and working as a clown in an aquatic ballet show. Still, the young artist felt he was destined for greater things, and set off for New York in 1962 with twenty dollars in his pocket and his portfolio at his side. With that portfolio, Aragonés wooed the editors of MAD Magazine and launched himself headlong into cartoon history. Sergio Aragonés has been published in every issue of MAD Magazine since his work first appeared on its pages, and in the thirty-plus years since, he's provided animation for television shows including Laugh-In (he acted, too!), and TV Bloopers and Practical Jokes, and he's been recognized with countless national and international awards thanking him for his contributions to the arts. Oh, and he's done some comics, too, such as Groo, Louder Than Words, and Boogeyman (there's more, of course) for Dark Horse.

### Users Review

**From reader reviews:**

**Amy Medina:**

Spent a free time to be fun activity to accomplish! A lot of people spent their free time with their family, or their very own friends. Usually they undertaking activity like watching television, gonna beach, or picnic inside park. They actually doing same every week. Do you feel it? Would you like to something different to fill your personal free time/ holiday? Could possibly be reading a book might be option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of guide that you should read. If you want to try look for book, may be the guide untitled Sergio Aragonés' Groo: Library can be great book to read. May be it could be best activity to you.

**Donald Howard:**

Are you kind of busy person, only have 10 or maybe 15 minute in your time to upgrading your mind expertise or thinking skill perhaps analytical thinking? Then you have problem with the book compared to can satisfy your short period of time to read it because this time you only find book that need more time to be go through. Sergio Aragonés' Groo: Library can be your answer as it can be read by an individual who have those short free time problems.

**Charlotte Bernstein:**

As we know that book is vital thing to add our know-how for everything. By a book we can know everything

we wish. A book is a pair of written, printed, illustrated or even blank sheet. Every year was exactly added. This reserve Sergio Aragonés' Groo: Library was filled in relation to science. Spend your time to add your knowledge about your technology competence. Some people has different feel when they reading a new book. If you know how big good thing about a book, you can experience enjoy to read a book. In the modern era like right now, many ways to get book that you wanted.

**Nancy Williams:**

A lot of reserve has printed but it differs from the others. You can get it by net on social media. You can choose the top book for you, science, comedian, novel, or whatever through searching from it. It is referred to as of book Sergio Aragonés' Groo: Library. You can add your knowledge by it. Without making the printed book, it could add your knowledge and make you happier to read. It is most essential that, you must aware about book. It can bring you from one destination for a other place.
