

## The Truth About Cads and Dukes (Rescued from Ruin Book 2)

By Elisa Braden

**The Truth About Cads and Dukes (Rescued from Ruin Book 2)** By Elisa Braden

When a wager goes wrong ...

Painfully shy Jane Huxley is the furthest thing from a diamond of the first water. Bookish, bespectacled, and, well, plain, she never expected to befriend a dissolute charmer like Colin Lacey, much less agree to help him retrieve a lost family heirloom. Fortunately, he is nothing like his cold, rigid older brother. Unfortunately, he is not above deception if it means winning a wager. And that puts Jane in a most precarious position.

A formidable duke will marry a plain Jane ...

For Harrison Lacey, the Duke of Blackmore, protecting his family honor is not a choice, it is a necessity. So, when his cad of a brother humiliates the unwitting Lady Jane, Harrison must make it right, even if it means marrying the chit himself.

And a marriage of convenience will become so much more ...

Her reputation hanging by a thread, Jane agrees to wed the arrogant Duke of Blackmore, although she's convinced it will result in frostbite. Only after lingering glances lead to devastating kisses does she begin to suspect the truth: Perhaps—just perhaps—her duke is not as cold as he appears.

### Editorial Review

#### About the Author

Reading romance novels came easily to Elisa Braden. She's been doing it since she was twelve. Writing them? That took a little longer. After graduating with degrees in creative writing and history, Elisa spent entirely too many years in "real" jobs writing T-shirt copy ... and other people's resumes ... and articles about giftware displays. But that was before she woke up and started dreaming about the very unreal job of being a romance novelist. Frankly, she figures better late than never.

Elisa lives in the gorgeous Pacific Northwest, where you're constitutionally required to like the colors green and gray. Good thing she does. Other items on the "like" list include cute dogs, strong coffee, and epic movies. Of course, her favorite thing of all is hearing from readers who love her characters as much as she does.
