From the Author

***** NOTE TO READERS ***** At the risk of taking some of the surprise out of the plot, just in case you missed it in the book description and the warning at the start of the e-book itself, please be aware **BEFORE** downloading and reading that this is Book #3 of a *three-book LOVE TRIANGLE* based ***serial*** romance between **two brothers who fall in love with the same woman**. If you don't think a woman should ever even *consider* dating a man if she's dated his brother in the past (approx half a year prior), or you feel very strongly about the bro code in any shape or form, this is definitely **NOT** the book for you. There are many reviews below (with and without spoilers) with thoughts about this that you can check out before reading if you have any reservations. And if you're unsure, to be safe, I have other books not involving love triangles at all. *grin* Either way, happy reading!

And to reiterate one more time, **this is NOT a standalone (it's the conclusion of a serial trilogy)**.

Since her acclaimed debut series in 2013, over a million readers have put Violet's "laugh & cry" contemporary romances on the USA Today bestseller list sixteen times, the NYT bestseller list three times, and the Top 10 charts across the major retailers both in the U.S. and internationally.

When she doesn't have her nose in a book, Violet enjoys the live-out-loud-in-your-PJs sorta lifestyle she loves writing about, which involves lots of: 1) excuses to use her power tools, 2) doing stuff without checking the directions, and 3) impossible-to-be-duplicated 'special edition' dishes that laugh in the face of recipes. Born and raised in Hawai'i, Violet continues to live the no-shoes island way with her kids (daughter Violet & son Duke) and husband (aka their ringleader...and her most devoted fan).
