Gifted Thief: Highland Magic Series, Book 1 By Helen Harper

Since the moment I was ripped from my mother's womb, I've been an outcast among my own kind. The Sidhe might possess magical Gifts, unbelievable wealth, and unfathomable power, but I don't want a thing to do with them. I ran away from their lands in the Highlands of Scotland when I was 11 years old, and I've never looked back. I don't need a clan. I've got my own family of highly skilled thieves who mean more to me than any Sidhe ever could.

Unfortunately for me, the playboy heir to the Moncrieffe Clan has something I desperately need. To get it back, I'm going to have to plunge myself back into that world, no matter what the consequences may be. I suppose it's just as well I have a sense of humor. I think I'm going to need it.
