Green's 2015 Trader Tax Guide: The Savvy Trader's Guide to 2014 Tax Preparation and 2015 Tax Planning By Robert A. Green CPA

Each year there are important new developments in tax law. Our 2015 guide includes our latest thoughts, tax strategies, pitfalls, tweaks, warnings, and benefits. It's a must-read for our clients. As I reviewed the final product, it occurred to me that almost every paragraph saves a trader more than the price of the guide.

Whether you self-prepare your tax returns or engage a CPA firm, this guide can help you through the process and save you thousands and thousands of dollars. We've published our updated trader tax guide every year since 1997, and it remains the gold standard in trader tax.

Our motto is be smart, creative, forward-thinking, cutting-edge, and even a bit aggressive, but keep it fully legal. You deserve excellence in content, ideas, judgment, and decision-making. Thanks for being our customer and reading our guide.

Sincerely,

Robert A. Green, CPA

Endorsements and Advance Praise:

“Robert Green and his associates have their fingers firmly on the pulse of tax law and how it affects professional and frequent traders. I frequently lean on Robert to help explain the nuances of the tax code to my 'Electronic Investor' readers in Barron's. Given the ongoing changes to the tax codes, it's great to have Green's 2015 Trader Tax Guide available to explain how the changes affect your particular tax situation, and how to manage your tax bill effectively.”

— Theresa W. Carey, Contributing Editor, Barron's, “The Electronic Investor”

“Trader tax status, Section 1256 contracts, Section 475 MTM — it's all so confusing. And although there are lots of tax breaks available to traders, most don't take advantage, which costs them thousands! Green's 2015 Trader Tax

Guide is well structured and explains the tax breaks available to you. Robert Green puts a lot of time and money in researching the ever-changing tax laws and lays out his findings in 14 chapters. Learn how you can deduct home office and education expenses, how to deduct losses, how to form entities, retirement plans for traders, and much more. This guide costs you less than \$60, but it could save you thousands. Your local accountant doesn't know about these specifics! It doesn't matter whether you are new to trading or have been trading for a while. It doesn't matter whether you are making money trading or you had a rough year. This guide will show you how to maximize tax benefits on your tax filing and get even more tax breaks for the current year."

— Markus Heitkoetter, CEO of Rockwell Trading
