

Hard Choices

From Jonathan Moore

Hard Choices From Jonathan Moore

Since Somalia, the international community has found itself changing its view of humanitarian intervention. Operations designed to alleviate suffering and achieve peace sometimes produce damaging results. The United Nations, nongovernmental organizations, military and civilian agencies alike find themselves in the midst of confusion and weakness where what they seek are clarity and stability. Competing needs, rights, and values can obscure even the best international efforts to quell violence and assuage crises of poverty. More attention must be paid to the complexity of issues and moral dilemmas involved. This volume of original essays by international policy leaders, practitioners, and scholars brings together insights into the conflicting moral pressures present in different kinds of interventions ranging from Rwanda and Somalia to Haiti, Cambodia, and Bosnia. From their various cultural and professional perspectives the authors cover issues of human rights, sanctions, arms trade, refugees, HIV, and the media. Together they make the case that, although there are no easy answers, moral reflection and content can improve the quality of decisionmaking and intervention in internal conflicts. Published under the auspices of The International Committee of the Red Cross.

Editorial Review

Review

Sharply worded statements of uncomfortable truths. (Eliot A. Cohen *Foreign Affairs*)

A short chapter by the Canadian General Romeo Dallaire in *Hard Choices* must qualify as the most gripping account of peacekeeping ever written. (Alex de Waal *London Review Of Books*, November, 1999)

The book is not about Kosovo per se, but its themes and illustrations are pertinent to our current turmoil in the Balkans. One obvious point is that the consequences of inaction can be horrible. (*The Boston Sunday Globe*, April 18, 1999)

Every chapter in this timely book is worth reading. (Larman C. Wilson, American University *Perspectives on Political Science*)

The volume is the most comprehensive available about the view of the international community on morally sound and policy-prudent intervention. . . . Recommended for upper-division undergraduate, graduate, and faculty collections. (*CHOICE*)

Each of these essays shows a different aspect of the dilemmas confronting humanitarian workers as well as the multiple and often incompatible tasks that fall within the range of humanitarian intervention. (Nicholas Xenos, University of Massachusetts, Amherst)

This volume illuminates what may be the challenge for the next decade, century, and millennium: closing the gap between lofty rhetoric and the reality in the field. (Diane Paul, Human Rights Watch, Brown University Humanitarianism and War Project, Jacob Blaustein Institute for the Advancement of Human Rights *International Politics*)

The book is a solid contribution to the ever-growing debate on humanitarian intervention. (*Journal of Peace Research*)

Hard Choices is a remarkably franc attempt to consider the consequences and shortcomings of humanitarian intervention. (*International Review Of The Red Cross*)

About the Author

Jonathan Moore is a senior advisor to the administrator of the UN Development Program and associate at the Shorenstein Center on the Press, Politics, and Public Policy at Harvard University.

Users Review

From reader reviews:

Phillip Patten:

This *Hard Choices* tend to be reliable for you who want to be a successful person, why. The key reason why of this *Hard Choices* can be one of many great books you must have is definitely giving you more than just simple looking at food but feed anyone with information that probably will shock your prior knowledge. This

book is actually handy, you can bring it just about everywhere and whenever your conditions at e-book and printed versions. Beside that this Hard Choices giving you an enormous of experience such as rich vocabulary, giving you trial of critical thinking that we know it useful in your day action. So , let's have it and revel in reading.

Rosemary Till:

Reading a guide tends to be new life style with this era globalization. With reading through you can get a lot of information that can give you benefit in your life. Along with book everyone in this world could share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their particular reader with their story or perhaps their experience. Not only the storyplot that share in the textbooks. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors on this planet always try to improve their ability in writing, they also doing some analysis before they write to the book. One of them is this Hard Choices.

Gladys Jackson:

The reason why? Because this Hard Choices is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will distress you with the secret it inside. Reading this book adjacent to it was fantastic author who also write the book in such incredible way makes the content inside easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of benefits than the other book get such as help improving your skill and your critical thinking way. So , still want to hold up having that book? If I ended up you I will go to the guide store hurriedly.

Tabitha Devore:

In this age globalization it is important to someone to acquire information. The information will make someone to understand the condition of the world. The healthiness of the world makes the information much easier to share. You can find a lot of recommendations to get information example: internet, magazine, book, and soon. You will see that now, a lot of publisher that print many kinds of book. Often the book that recommended to your account is Hard Choices this reserve consist a lot of the information of the condition of this world now. This kind of book was represented how do the world has grown up. The language styles that writer make usage of to explain it is easy to understand. Often the writer made some investigation when he makes this book. Honestly, that is why this book appropriate all of you.
