**Liz Fielding's Romance Box Set** By Liz Fielding

**Four heart-warming contemporary romances from award winning, best-selling author, Liz Fielding in a high value box set**

### **A Stranger's Kiss**

Desperate to escape the unwanted attentions of a man following her home from work, Tara Lambert throws herself into the arms of a stranger. It's an "out of the frying pan" moment which only gets worse when, on a mission to promote her ailing secretarial agency at a glossy new office block, she encounters Adam Blackmore for the second time.

Convinced that her "damsel in distress" act was a set up, it will take all her skill to convince him that she's exactly what she says she is; all her character to resist the temptation to fall into the trap he's laid. All is going well until they fly to Bahrain for a meeting and everything begins to unravel.

### **Dangerous Flirtation**

Rose has her life all mapped out. Everything is just perfect until a stranger with laughing blue eyes and a roguish grin turns her life upside down with a birthday kiss. Jack Drayton offers romance, excitement, passion and challenges her to risk her heart and go along with him for the ride. Dare she?

### **Old Desires**

Joshua Kent infuriated Holly - he turned up on her doorstep, cavalier, demanding, manipulative and convinced she was a good-for-nothing gold-digger. Far worse was his bombshell that her past was a complete fabrication.

### **Eloping With Emmy**

Hot shot legal eagle, Tom Brodie, has been landed with an assignment to test any man to his limits - do whatever it takes to prevent headstrong heiress Emerald Carlisle from marrying a fortune-hunter. He is not happy about it, and when Emmy stows away in his car, his day goes from bad to worse, but since she's the only one who knows where to find the man in question he has no choice but take her along for the ride.

It's a bumpy one!

Emmy is not a woman to sit back and let things fall as they will. She has a plan and she keeps Brodie on his toes in a rollercoaster chase across the UK and France. He's more than up to the challenge, but falling in love with Emmy along the way is always going to end with his heart in pieces.
