**PILLS OF GOD: God created man, man created Ecstasy** By Steven Spaliviero

A staggering memoir by the most infamous name in the Australian ecstasy trade, Pills of God takes you on a journey - from Sydney to Hollywood, to China and Stockholm; inside drug labs, courtrooms and prison cells.

The love, sex, greed, drug-taking, drug-making, law-breaking and heart-breaking betrayal – Steven Spaliviero goes into intimate detail about his life as one of Australia's greatest drug kingpins. Racketeering, drug manufacturing, money laundering and running strip clubs - it's all in a day's work.

This is a true crime story like no other. Remarkably candid, this book will take you to the highs and the lows of Spaliviero's life as he lays it all out and ultimately makes you wonder just how much you can trust the one you love.
