The Next Chapter in the Evolution of the Soul By Mark Allen Frost

The Next Chapter in the Evolution of the Soul by Mark Allen Frost is the Second Volume in the series *Communications from Seth on the Awakening of Humanity*. In his new book, the beloved metaphysical author Seth updates his Teaching on **All That Is, Probabilities, Time, the Magical Perspective, Reality Creation, Consciousness Units** and **Simultaneous Lives**. He also provides experiments in contacting the **Energy Personality** or **Spirit Guide**, as well as methods for exploring After Death Reality.

Using the **Scientist of Consciousness** model, Seth offers us the tools to investigate our self-created worlds and to make corrections where needed to facilitate Spiritual Growth.

Seth states that a Dimensional-Shift is occurring that will empower us to communicate with our **Simultaneous Lives** and other aspects of our Greater Consciousness. He suggests it will soon be perfectly acceptable behavior to excuse ourselves in the middle of a conversation to accept a telepathic message from our Guides, and then continue with the conversation, perhaps integrating that information into the discussion.

This is **The Next Chapter in the Evolution of the Soul**, as we seek to know our Many Lives, converse with our Guides, and remember and use the Ancient Wisdom for our own good and the good of humanity.
