**The Picture Frame: An Occult Horror Novel** By Iain Rob Wright

**A terrifying occult supernatural novel about an innocent man cursed by an ancient and unkillable evil. Bestseller Iain Rob Wright's spookiest novel yet!**

---

How does a man protect his family from an evil he can't escape?  
How does he kill something long dead?  
And how can he face his past to ensure his future?

---

Blake Price is the most celebrated mystery writer since Agatha Christie, but a violent tragedy has sent him and his family to a secluded cottage in the English countryside where they can recover in peace. Where they can pretend the past doesn't exist.

But trying to keep his family safe becomes impossible for Blake when a mysterious trinket forces itself into his life and unleashes a terrifying evil. By the time he realizes what he has done, it's already too late.

The Picture Frame, some things should stay buried.

**"Iain Rob Wright scares the Hell out of me." - J.A. Konrath, author of The List**

## QUESTIONS FOR THE AUTHOR

**How would you describe this book?**

It's a classic "spooky" tale where things start off a little peculiar and slowly progress towards downright disturbing. It's a book heavy on atmosphere and characters.

**Can you tell us a bit about the plot?**

Sure! It is about a family. An ordinary family struggling to put the past behind them. When an evil force affects their lives, it forces them to come to terms with things a lot quicker than they had expected. It's about a man fighting to keep his wife and son from harm, but making mistakes along the way.

**What author has most influenced you as a writer?**

Like many other horror authors, Stephen King is the man I most respect. Like King, my books are about ordinary people in extraordinary circumstances. I, too, like to kill my darlings.

**Anything you would like to say to someone buying this book?**

Yeah, I hope it gives them nightmares, and if it does they should drop drop me a line and let me know. Other than that, just a big thank you for giving one of my books a try. I cannot express the gratitude I have that people allow me to do what I do for a living. I'm the luckiest guy in the world.

### Editorial Review

#### Review

Iain Rob Wright's writing has, again in my opinion, matured so much with this book. Everything I have read from him before has been excellent reading. For some reason this one just stands out that little bit more to me. I'm certainly no expert but I reckon The Picture Frame could herald a turning point in Mr Wright's career. I can see this story taking him places he didn't see coming and it would be nothing more than he deserves. This deserves the very highest of high recommendations. The ultimate 5 stars.
