Do You Love Scottish Time Travel, Sexy Highlanders, Romance, Magic, and Mystery? "Love Beyond Time" will make you laugh, cry, and leave you eager for more.

It began nearly four hundred years ago. The Conall clan and all their people were murdered in a surprise attack, their beloved castle and all evidence of who destroyed them burned to the ground with their bodies. In the centuries following, archaeologists searched through the ruins looking for any evidence of what or who had caused the untimely demise of such a powerful Scottish clan. All efforts were fruitless, until a spell put in place by an ancient Conall ancestor finally began to work its magic...

Texas kindergarten teacher, Brielle Montgomery, finds comfort in the mundane routines of her life, but when her archaeologist mother asks her to accompany her on a dig in Scotland, she decides to step out of her comfort zone. Once in Scotland, they discover a secret spell room below the castle ruins, and Bri finds herself transported back in time and suddenly married to the castle's ill-fated Laird. Now, she must work to change the fate of his people, all while trying to find a way to return to her home and century. But with each passing day, Bri finds herself falling more deeply in love with her new husband. If she can find a spell to bring her home, will she use it? And if she stays, will it ultimately mean her own death as well?

Editorial Review

Review

"I have a thing for sexy highlanders (who doesn't?!), but not everyone is able to get it right - Claire is bang on... I haven't enjoyed myself reading a book this much in ages and I actually sat down to start reading it, and didn't stand up again until I was finished - I had to know how it ended. This book gets five hunky Scotsmen out of five." - Chelsey of *Pure Textuality*

"The storyline of the book drew me in and kept me interested until the last page." - Lorna of *Pure Textuality*

"The story captured me and I read it in just a couple of sittings. I could have read it straight through, but... I did not want the story to end! The writing was excellent, the characters were lovable, and the story was interesting. As I drew near the end of the story, I entertained several possible conclusions, but the author does not tip her hand, holding the reader in suspense." - David Burnett of *The Kindle Book Review*

"Bethany Claire has brought readers the ultimate romantic fantasy in this time traveling romance filled with adventure, excitement, love, drama, and broken hearts. The characters and scenes within each chapter are filled with so much vividness that the reader is unable to put the book down." - Reviewed by Michelle Robertson for *Reader's Favorite*

From the Author

Hello everyone! I hope you love reading *Love Beyond Time* as much as I enjoyed writing it. When I started it, I thought it would be a single novel just to get the writing bug out of my system. Little did I know then that it was just the beginning for my writing career. I always loved reading romance novels, especially those that took place in Scotland and in a different time, so when I started *Love Beyond Time*, I decided to include those elements in my story. When I finished writing it, I just couldn't stop, so I continued *Morna's Legacy Series* with *Love Beyond Reason*. Now there are seven full-length novels in the series and two novellas, and I'm still not ready to end this series. I'm having too much fun writing it. Thanks for reading. I hope you continue on with me through the entire *Morna's Legacy Series*!
