

The Promise of Politics

By Hannah Arendt

The Promise of Politics By Hannah Arendt

In *The Promise of Politics*, Hannah Arendt examines the conflict between philosophy and politics. In particular, she shows how the tradition of Western political thought, which extends from Plato and Aristotle to its culmination in Marx, failed to account for human action. The concluding section of the book, “Introduction *into* Politics,” examines an issue that is as timely today as it was when Arendt first wrote about it fifty years ago—the modern prejudice against politics. When politics is considered as a means to an end that lies outside of itself, argues Arendt, when force is used to create “freedom,” the very existence of political principles is imperiled.

Editorial Review

Review

"A brilliantly erudite and imaginative book."

--Adam Kirsch, *The New York Sun*

"By insisting that politics remain a promise rather than a threat, Arendt offers a hope that history has yet to justify."

--*The New York Sun*

"Arendt demonstrated, brilliantly, how our habitual view of politics as an instrument in the service of private liberty, material gain, and social prosperity actually increases the dangers posed by the modern world."

--Dana R. Villa, author of *Arendt and Heidegger* and *Socratic Citizenship*

About the Author

Hannah Arendt was born in Hanover, Germany, in 1906, fled to Paris in 1933, and came to the United States after the outbreak of World War II. She was editorial director of Schocken Books from 1946 to 1948. She taught at Berkeley, Princeton, the University of Chicago, and The New School for Social Research. Arendt died in 1975.

From the Hardcover edition.

Users Review

From reader reviews:

Warren Johnson:

It means that it can to become your friend when you feel alone and beside that course make you smarter than ever. Yeah, it is very fortunated to suit your needs. The book makes you far more confidence because you can know anything by the book. So , we need to make new experience and knowledge with this book.

Lisa Marsh:

Can you one of the book lovers? If so, do you ever feeling doubt if you are in the book store? Aim to pick one book that you just dont know the inside because don't ascertain book by its deal with may doesn't work at this point is difficult job because you are scared that the inside maybe not while fantastic as in the outside seem likes. Maybe you answer may be The Promise of Politics why because the great cover that make you consider about the content will not disappoint an individual. The inside or content is definitely fantastic as the outside or even cover. Your reading 6th sense will directly show you to pick up this book.

Gayle Oconnell:

Is it anyone who having spare time subsequently spend it whole day by simply watching television programs or just laying on the bed? Do you need something totally new? This The Promise of Politics can be the reply, oh how comes? A book you know. You are therefore out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?

Grace Seals:

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's internal or real their interest. They just do what the professor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this The Promise of Politics can make you experience more interested to read.
