20 Hungry Piggies: A Number Book (Millbrook Picture Books) By Trudy Harris

Nearly everyone has heard about the little piggy that went to the market and the one that stayed at home - but there's a lot more to the story. '20 Hungry Piggies' completes the tale while teaching an important maths concept at the same time.

Editorial Review

From School Library Journal

PreSchool-Grade 2—While the piggies in the original nursery rhyme number only five, this tale does not end with the unfortunate one who went wee, wee, wee/all the way home. Instead, the imaginative Harris duo envision a new, fun-filled scene and delight readers with the news that Fifth little piggy went, "We, we, we.../We STILL aren't done!" The premise of this rhyming counting book is that 20 pigs have been invited to a picnic. Using all modes of transportation, the porcine guests arrive bearing treats, talents, and paraphernalia. What they don't notice is the infamous wolf straight out of *The Three Little Pigs*. True to form, he craves pork chops and seems destined to have his meal—until he stops to count only 19 porkers. Greed makes him the victim of a stampede when the 20th one, who has been napping, rings the dinner bell. Hilarious color cartoon illustrations show pigs with plenty of personality, each prominently displaying a number while that same number is hidden somewhere on the spread, along with the sneaky wolf. In the spirit of Margie Palatini's *Piggie Pie!* (Clarion, 1995), this funny story is perfect for one-on-one and group sharing.—*Gloria Koster, West School, New Canaan, CT*
