Hell School For Teachers By Simon Grail

Five attractive female Ringsdean High School teachers are mysteriously trapped in a nightmare version of their own school, now called a Punitive College: a place where ex pupils can take their revenge on teachers who have displeased them in the past. In a PC college the dress code for female teachers is strict: mortar board, a brief bottomless gown, black stockings and high heels, a security badge pinned to their pubic hair... and nothing else. The college is run according to PC rules, which state for instance that: "A teacher must relieve any sexual tension she induces in her students individually before the end of class." Also: "To ensure maximum motivation PE mistresses are required to offer sexual rewards to their students." And: "Students may use whatever means necessary to make female teachers comply with PC rules." Welcome to educational hell... for teachers. Still, all they have to do is survive it for one day. But what if that day never ends?
