Prospecthill Circus. Where The Animals live. By David P Matheson

An emotional, yet funny roller coaster of a read based on the true story of a boy growing up in a high rise block of flats in the 1960,s and 70,s in Glasgow, Scotland. The Book is emotional,even upsetting at times, but it is also really funny. it is about events, and the people who made the Author who he is, and how they equipped him with the hammer and chisel that he has used to shape the person he is today. The book is not meant to spawn anger, point fingers or criticize, it is a story, my story. It is a kaleidoscope of life seen through the eyes of a child and young adult growing up in Prospecthill Circus, Toryglen. Glasgow.
