The Extraordinary Power of a Focused Life: A Workbook for Leaders Who Want to Finish Well By Dr. Paul G. Leavenworth

The Extraordinary Power of a Focused Life is a workbook for leaders who want to finish well in life and leadership. The workbook uses J. Robert Clinton's leadership emergence theory paradigm to address four critical questions: Where have I come from? (PERSPECTIVE), Where am I going? (DESTINY), How do I get there? (STRATEGY), and What will I leave for the next generation(s) that matters? (LEGACY). Each chapter is designed for discovery learning through introduction, discovery and discussion, explanation, and application sections which build on one another to assist the reader in discovering and developing personal answers to the four critical questions mentioned above. The Extraordinary Power of a Focused Life is a stand alone and/or companion to Deep Processing: Maturing Through Really Difficult Times.
