"I was deeply impressed by *Your Soul's Gift*. This is a fine discussion of one of the great mysteries of existence: To what degree do we plan our lives *before* we are born? Robert Schwartz offers a profound spiritual analysis of some of life's most difficult crises and turning points. This book is well worth reading for its novel and surprising insights into the difficulties most of us face in life."

--Raymond Moody, MD, PhD, author of *Life After Life*

#### About the Author

In a personal session with a medium in 2003, author Robert Schwartz was astonished to speak with nonphysical beings who knew everything about him - not just what he had done in life, but also what he had thought and felt. They told him that he had planned many of his most difficult experiences before he was born. Realizing that a knowledge of pre-birth planning would bring great healing to people and allow them to understand the deeper purpose of their life challenges, he decided to devote his life to the study of pre-birth planning. The extraordinary insights that have emerged from his work speak to our heartfelt, universal yearning to know . . . why.

Robert Schwartz is a certified hypnotherapist who offers spiritual guidance and hypnotherapeutic regressions to help people understand their life plan. For more information please visit him online at [www.yoursoulsplan.com](http://www.yoursoulsplan.com).
