

## Zen and the Art of Mixing: REV 2

By Mixerman

### Zen and the Art of Mixing: REV 2 By Mixerman

(Technical Reference). Here, in a replica of a recently exhumed tome (miraculously preserved within the chassis of a Sound Tools rig at the bottom of the La Brea Tar Pits), we present Mixerman's philosophies on the art of mixing. Well known for his hilarious exploits in *The Daily Adventures of Mixerman*, the author now provides his tactical reasoning without the colored lens of absurdist big-label disasters. In Rev 2, Mixerman distills a successful mixing career's worth of lessons and realizations into understandable and sensible terms for both enthusiastic musician and professional technician alike. This enhanced multimedia edition brings mixers deeper into the concepts covered in the text. In nearly two hours of video clips, Mixerman provides invaluable insight into the various aspects of mixing: creating the rough mix, EQ, parallel compression, automation, and more. As Mixerman points out, "If you change how you think about mixing, you'll be well on your way to learning how to mix." This new edition features an updated "Gear" chapter.

### Editorial Review

#### Review

"I rarely say 'just go buy this' but in this case it is beyond a no-brainer . . . Beyond being an essential reference tool that I keep on my desk, this book is an entertaining and fun read on its own. From the highest level professional to the newbie hobbyist, this book is the best guide to making music out of recordings. I could fill the rest of the magazine with praise for the individual chapters, but you get the idea. Just buy it and thank me later." --Just Jazz Guitar, February 2015

#### From the Back Cover

*"Finally, a book that teaches the Art of great mixing, not the pseudoscience. At long f\*#@ing last."* -Ken Scott (The Beatles, Pink Floyd, David Bowie, Elton John)

Here, in a replica of this recently exhumed tome (miraculously preserved within the chassis of a Sound Tools rig at the bottom of The La Brea Tarpits), we present Mixerman's philosophies on the art of mixing. Well known for his hilarious recording exploits in *The Daily Adventures of Mixerman*, the author now provides his tactical reasoning without the colored lens of absurdist big-label disasters.

In this work, Mixerman distills a successful mixing career's worth of lessons and realizations into understandable and sensible terms for both enthusiastic musician and professional technician alike. As Mixerman points out, "If you change how you *think* about mixing, you'll be well on your way to learning *how* to mix."

*I never thought anybody could write a meaningful book about mixing but Mixerman has done exactly that. I learned early-on that great recording engineering and mixing is largely a matter of keeping your mind out of the way and here is one man's brilliant approach to accomplishing precisely that.* -Bob Olhsson (Stevie Wonder, Jackson Five)

*"Without belaboring the technical, he encompasses the creative, spiritual, practical, and business aspects in a simple and entertaining read. This will surely be a huge help to budding mixers and interested music consumers alike!"* -Ron Saint Germain (U2, Mick Jagger, 311, Whitney Houston)

*"Dough head. You gave away the farm."* -Aardvark, cohost of The Mixerman Radio Show. (Alan Parsons, Johnny Reed)

#### About the Author

Mixerman is a Los Angeles based producer, mixer, and author who reaches a vast audience interested in the recording process and the music business through his popular blog *The Daily Adventures of Mixerman* (mixerman.net) and The Mixerman Radio Show (thewombforums.com).
