

## Dot Point: HSC Physics

By *BRIAN Shadwick*

### Dot Point: HSC Physics By BRIAN Shadwick

In this book you will find typical examination questions and answers for each dot point in the NSW syllabus for each core topic and one option in the HSC Physics course: • Space • Motors and Generators • From Ideas to Implementation • From Quanta to Quarks Also included are typical experimental results for students to analyse if the third column of the syllabus indicates that students should carry out 'first-hand investigations'. Completing all questions will provide a summary of all the work required from the syllabus. With perforated sheets for ease of use and drill holes for convenient storage. Suitable for Year 12
