Ghost Shadow (Moon Shadow Series Book 4) By Maria E Schneider

Shadow is stuck In Between...dead, but not gone. Martin insists she isn't dead and doesn't belong here, but as far as she can tell, the trip was a one-way ticket. She can't even remember her real name or how she ended up here.

In Between is dangerous enough without wasting time peering through the weave at the living and dreaming of what might have been. Of course, if Adriel, the witch, and Lynx, the cat, insist on trying to help her, she can hardly refuse to meet them at the edge. But if magic can't locate her living body, how can one stubborn cat achieve the impossible? Does enough magic really exist in the world to bring her back over?

Editorial Review

About the Author

I grew up in New Mexico where the desert environment inspired me to embellish the landscape with my imagination. After working in the computer industry for twelve years, I decided technology moved too slowly and again put my imagination to work, creating messes and then inventing characters to handle all the clean up. If only that worked on the dinner dishes! I currently reside near Austin, Texas with my husband. My partners in crime are two cats, Leo and Junior. They can be found causing trouble any time of day or night!
