Amazon.com Review

Have a desire to be apprised of political developments in Swaziland or the Philippines? Wish to stay current on sports scores in Sweden or Uruguay? Then perhaps it's time to tune in to world-band radio, already heard by 600 million people around the world. *Passport to World Band Radio 2002* can show you how. *The New York Times* has dubbed the Passport series the "TV Guide for world-band radios," and that's a fairly accurate assessment. Passport is dense--it's much heavier than its compact size suggests--with articles, program lists, equipment descriptions, and the Blue Pages, a comprehensive channel-by-channel guide to world-band schedules. Whether you're new to short-wave radio or a long-time listener, *Passport* is your ticket to adventure on the world's airwaves.
