Editorial Review

Review

"With *Bill Gates: A Biography* Becraft has provided a concise, fairly thorough, and well-written biography of one of the most influential business leaders of the past 20 years. . . . The book is well written, with little or no obvious bias. . . . The introduction to the series included with this book states that it (and the rest of the series) is intended for public and school libraries. It would be well suited for these libraries, and could be useful in academic libraries serving community and junior colleges, as well as those supporting lower-level baccalaureate students." - **ARBA**

About the Author

Dr. Michael Becraft was the Edward F. Lyle Professor of Finance and Director of the Graduate Program in Business at Park University, with an office in Kansas City, Missouri and residence in Parkville, Missouri. Adopting technology at a very young age, he initially learned to program using a version of BASIC written by Microsoft for a platform other than the IBM PC.
