**Come (The Fight Club Book 1)** By Becca Jameson

The first book in bestselling erotic romance author Becca Jameson's wildly popular MMA series, *The Fight Club!* Katy Marks has worked hard for years to make partner at her law firm and be accepted in a man's world. She hasn't had much time for play. Now she has a stalker, one of the firm's partners who hopes to entice her to gain promotion by sleeping with him. Backed into a corner, she grabs an unexpected opportunity. She wards off his unwanted advances by plastering herself against the sexy man leaning casually against the wall outside her uncle's gym.

Rafe Walker is stunned by one look at the sexy woman so totally out of place in the gym and finds himself flattened to the floor of the ring by his best friend and sparring partner. Scrambling to ensure he gets a chance to speak with her, he instead finds himself KO'd by a kiss that rocks his world and hardens him in all the right places.

Katy isn't Rafe's type. She's far too innocent. Besides, she's the gym owner's niece. But two dates don't dampen his desire or release her from his thoughts. Rafe has personal rules against sleeping with a woman before they are fully informed about his dominant ways. But Katy is testing his patience. She wants him, but he fears she won't be as persistent when she finds out about his preferred lifestyle.

Rafe tries to step away from her, but he can't ignore the unknown threat that stalks her, and time is running out. Someone wants Katy dead. And Rafe wants Katy...very much alive.

Updated 12/3/14 - *Come* by Becca Jameson has been awarded the CTRR award by the reviewers at Coffee Time Romance. "The writing of Ms. Jameson is simply fabulous and that is not even saying enough. I fell in love with all the characters and I have already scoped out the rest of the books in the series. I love all the big, bad, dom, MMA fighters who permeate the pages of *Come*. I want to warn all readers do not let the slow build up to the actual sexual acts deter you because when Kay and Rafe truly come together the first time, the collision is as satisfying for the reader as it was for the characters. I highly recommend *Come* and the amazingly talented Ms. Jameson." --Delane, Coffee Time Romance Reviewer.
