Editorial Review

Review

Had I read this book in my 20's, I'd be financially independent today. It's a remarkable blend of fabulous research with clear and lively writing. You'd pay an expert quite a sum for this caliber of counsel. That's why I say that the best investment you make this year just might be this book. Your second best investment will be the copies you buy for your children. --Dr. Dwight "Ike" Reighard, former Executive Vice President and Chief People Officer, HomeBanc - One of Fortune's 100 Best Places to Work, four years in a row

As a practicing CPA and financial counselor for the past 35 years, I've read scores of books and periodicals on personal finance. Just when you think you've heard it all, something like this comes along. It's rare and refreshing to find a book so enjoyable, so accurate, and so life-changing. I'm purchasing hundreds of copies to give away to graduating seniors. --Larry Winter, Winter & Scoggins CPA's; Certified Valuation Analyst, Certified Fraud Examiner, Personal Financial Planning Specialist
