**Feminizing Men - A Guide for Males to Achieve Maximum Feminization** By Barbara Deloto, Thomas Newgen

**Do you want to feminize a male, or you as a male want, or have been told to, become feminized?**

Feminization: 1) To give a feminine appearance or character to. 2) To cause (a male) to assume feminine characteristics.

This is not for those who wish to permanently change their gender, but rather for those who wish to feminize temporarily, though sometimes repeatedly and regularly, in order to proficiently crossdress as a woman.

This feminization guide is for a male by gender who, may, or may not be, a "real" man by some opinions, but nonetheless a male, who has chosen, or has been told to, or is being coerced into, becoming feminine in appearance and character.

This guide is to be given to those who have been tasked with becoming a feminized male as part of a process to feminize them, or purchased for use by males who wish to feminize themselves.

It doesn't have any magic potions or formulas, special makeup or fancy tools, use any drugs or surgery. It does cover all the aspects of eliminating the 'man markers' that set males aside from women, and make a male less feminine than they could ultimately be. It will demasculinize anything that may have had a masculine overtone with the male (such as a cuckold that may still carry male aspects). It will also aid the feminized male to feel more sensual and sexy in a feminine role.

The guide is short - about 15.000 words and around sixty pages, but covers eliminating the things that keep a male from becoming as fully feminized as much as their male body and characteristics allow.

After the male has read this, acted upon this information fully, and practiced, he will be the best feminized male he can be. He will reach crossdressing perfection as a male to female (MTF) cross dresser. He will have the routines of maintenance and upkeep of the feminized male body, which will keep him ready, and most likely anxious, to fairly quickly, crossdress at the request of their wife,

mistress, or whim of his own. Whether the reason be from femdom, a wife led relationship, female led relationship, being a cuckold, cuckolding, cuckoldry, a hot wife, male chastity, forced crossdressing, not forced crossdressing, forced chastity, female domination, submissive training, sissy training, or purely their own desire to become feminine, a diligent male student who incorporates the information in this guide with passion and drive will become the perfect crossdressing male, as fully feminized as possible.

Upon following the elements in this guide, the feminized male will be able to proudly display how feminine he has become to anyone he, or the one who coerced him, choose to. Should this be a singular undertaking, the individual will be able to see and feel the difference in the degree of feminization they have achieved after practicing and perfecting the elements, and thus, bring greater pleasure and satisfaction to the resulting feminization.

This will be time consuming and will require dedication and diligence in order for a male to feminize to his best. If you are purchasing this for yourself, or someone else, beware of that in order to allow the necessary time and resources.

Look inside now. Buy yourself a copy, or give one to a male you want to feminize. It is a small, but valuable investment in a male's journey toward maximum feminization.
