Editorial Review

From the Back Cover

The King James Version Debate is the first book-length refutation of this point of view written for both pastors and laymen. The author concisely explains the science of textual criticism since the main premise advanced by KJV proponents is the superiority of the Greek text on which it is based.

About the Author

D. A. Carson (PhD, University of Cambridge) is research professor of New Testament at Trinity Evangelical Divinity School in Deerfield, Illinois. He is the author or editor of more than forty books and is one of the leaders of The Gospel Coalition.

Users Review

From reader reviews:

Dorothy Trimm:

Why don't make it to become your habit? Right now, try to prepare your time to do the important work, like looking for your favorite reserve and reading a e-book. Antoine Dejean:

This The King James Version Debate: A Plea for Realism is great guide for you because the content and that is full of information for you who always deal with world and still have to make decision every minute. This specific book reveal it information accurately using great arrange word or we can state no rambling sentences included. So if you are read the item hurriedly you can have whole facts in it. Doesn't mean it only

provides you with straight forward sentences but challenging core information with beautiful delivering sentences. Having The King James Version Debate: A Plea for Realism in your hand like getting the world in your arm, facts in it is not ridiculous one particular. We can say that no guide that offer you world within ten or fifteen minute right but this book already do that. So , this can be good reading book. Hey Mr. and Mrs. active do you still doubt that will?

Jillian Harrington:

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this The King James Version Debate: A Plea for Realism can make you sense more interested to read.
