### The Leaving Season By Cat Jordan

Middie Daniels calls it the leaving season: the time of year when everyone graduates high school, packs up their brand-new suitcases, and leaves home for the first time.

This year Middie's boyfriend, Nate, is the one leaving, heading to Central America for a year of volunteering after graduation. And once he returns, it'll be time for Middie to leave, too. With him. But when tragedy strikes, Middie's whole world is set spinning. No one seems to understand just how lost she is . . . except for Nate's slacker best friend, Lee. Middie and Lee have never gotten along. But with the ground ripped out from under her, Middie is finding that up is down—and that Lee Ryan might be just what she needs to find her footing once more.

Cat Jordan's heartbreaking story proves that no matter the season, no matter the obstacles, love can help you find yourself in the most unexpected of places.

### Editorial Review

From School Library Journal

Gr 8 Up—Meredith "Middie" Daniels calls it the leaving season—the time when kids are graduating and leaving home for the first time. Her boyfriend, Nate, isn't leaving for college, though. He's taking a gap year volunteering in Central America while Middie finishes high school. When a horrible tragedy strikes within weeks of Nate's departure, it sends Middie reeling. None of her friends or family understand just how unmoored she feels. Well, no one except for Nate's best friend. Lee Ryan, a slacker who Middie never liked, who calls her Yoko, who is everything Nate is not, seems to be the only one who understands her grief. But can this ungrounded guy really help her reach solid ground again? Jordan has crafted a story about leaving, about growing up, and about finding your path and being true to yourself. The protagonist is a solidly drawn character, as is Lee. No new ground is covered but the plot twist near the end is well played. VERDICT Fans of Sarah Dessen, Lurlene McDaniel, and other similar romance authors may enjoy Jordan's debut offering.—Elaine Baran Black, Georgia Public Library Service, Atlanta
