The Winter Rose By Jennifer Donnelly

It has been twelve years since a dark, murderous figure stalked the alleys and courts of Whitechapel. And yet, in the summer of 1900, East London is still poor, still brutal, still a shadow city to its western twin. Among the reformers is an idealistic young woman named India Selwyn-Jones, recently graduated from medical school. With the help of her influential fiance--Freddie Lytton, an up-and-coming Liberal MP--she works to shut down the area's opium dens that destroy both body and soul. Her selfless activities better her patients' lives and bring her immense gratification, but unfortunately, they also bring her into direct conflict with East London's ruling crime lord--Sid Malone.

India is not good for business and at first, Malone wants her out. But against all odds, India and Sid fall in love. Different in nearly every way, they share one thing in common--they're both wounded souls. Their love is impossible and they know it, yet they cling to it desperately. Lytton, India's fiance, will stop at nothing to marry India and gain her family's fortune.

Fractious criminal underlings and rivals conspire against Sid. When Sid is finally betrayed by one of his own, he must flee London to save his life. Mistakenly thinking him dead, India, pregnant and desperate, marries Freddie to provide a father for hers and Sid's child. India and Sid must each make a terrible sacrifice--a sacrifice that will change them both forever. One that will lead them to other lives, and other places...and perhaps--one distant, bittersweet day--back to each other.

Editorial Review

From Publishers Weekly

In late Victorian London, idealistic new medical school graduate India Selwyn Jones goes to work at a clinic in the city's poorest neighborhood, much to the dismay of her aristocratic mother and ambitious fiancé, political up-and-comer Freddie Lytton. The squalor is a bit much for India, but she manages to keep her emotions under control until she meets underworld crime boss Sid Malone. Sid begins as India's nemesis, becomes her patient and ends up something much more than that. What India doesn't know is that Sid is the brother of tea heiress Fiona Bristow, wife of self-made, highly principled businessman Joseph Bristow. What Sid doesn't know is that India's fiancé is as ruthless as Sid's most ruthless henchman, willing to commit theft, betrayal and even murder to launch his career, force India out of hers and bring down Sid in the process. In typical epic style, Donnelly (*The Tea Rose*) alternates India's story with Sid's, Freddie's, Joseph's and Fiona's, leading the reader through turn-of-the-century England from the Houses of Parliament to ale houses and whore houses, and from London to Africa and beyond. It's all familiar stuff, but Donnelly's passion and energy will keep readers turning the many pages, rooting for India and the gruff underworld boss she loves. (Jan.)

Review

"I loved this book. It is truly seductive, hard to put down, and filled with mystery, secret passions, unique locations, and a most engaging heroine. India Selwyn Jones is a new breed of woman in London in 1900, a doctor practicing in the grim East End, and she captivates from the first page to the last." -- --*Barbara Taylor Bradford, author of The Ravenscar Dynasty and A Woman of Substance*

From the Inside Flap

Every now and again, a storyteller comes along who can take us completely into her world and make us wish we never had to leave it. Jennifer Donnelly is such a writer.

When India Selwyn Jones, a young woman from a noble family, graduates from the London School of Medicine for Women in 1900, her professors advise her to set up her practice in London's esteemed Harley Street. Driven and idealistic, India chooses to work in the city's East End instead, serving the desperately poor.

In these grim streets, India meets--and saves the life of--London's most notorious gangster, Sid Malone. A hard, wounded man, Malone is the opposite of India's aristocratic fiancé, Freddie Lytton, a rising star in the House of Commons. Though Malone represents all she despises, India finds herself unwillingly drawn ever closer to him, intrigued by his hidden, mysterious past.

Though they fight hard against their feelings, India and Sid fall in love, and their unpredictable, passionate and bittersweet affair causes destruction they could never have imagined. Sweeping from London to Kenya to the wild, remote coast of California, *The Winter Rose* is a breathtaking return to the epic historical novel, from a masterful writer with a fresh, richly vivid, and utterly electrifying voice.

Users Review

From reader reviews:

Ronald Walker:

What do you ponder on book? It is just for students because they're still students or the item for all people in the world, the particular best subject for that? Merely you can be answered for that concern above. Every person has several personality and hobby for every single other. Don't to be compelled someone or something that they don't wish do that. You must know how great and also important the book The Winter Rose. All type of book is it possible to see on many solutions. You can look for the internet resources or other social media.

Emmanuel Young:
