Editorial Review

About the Author

Jewel is a free-spirited romance junkie with a quirky sense of humor. With 10 years of flossing lectures under her belt, she took early retirement from her dental hygiene career to stay home with her three awesome boys and manage the family business. After her best friend of nearly 30 years suggested a few books from the Contemporary Romance genre, Jewel was hooked. Devouring two and three books a week but still craving more, she decided to practice sustainable reading, AKA writing. When she's not donning her cape and saving the planet one tree at a time, she enjoys yoga with friends, good food with family, rock climbing with her kids, watching How I Met Your Mother reruns, and of course...heart-wrenching, tear-jerking, panty-scorching novels.
