You're Making Me Hate You: A Cantankerous Look at the Common Misconception That Humans Have Any Common Sense Left By Corey Taylor

In the tradition of the late great George Carlin, *New York Times* bestselling author and lead singer of Slipknot and Stone Sour Corey Taylor sounds off in hilarious fashion about the many vagaries of modern life that piss him off.

Whether it's people's rude behavior in restaurants and malls, the many indignities of air travel, eye-searingly terrible fashion choices, dangerously clueless drivers, and—most of all—the sorry state of much modern music, Taylor's humor and insight cover civil society's seeming decline—sparing no one along the way, least of all himself.

Holding nothing back and delivered in Taylor's inimitable voice, *You're Making Me Hate You* is a cathartic critique of the strange world in which we find ourselves.

Editorial Review

Review

Examiner.com, 7/1/15

“An entertaining read.”

Sonic Sound Magazine, 7/7/15

“An enjoyable read that will have you nodding in agreement and chuckling at Corey’s expletive-filled, but justifiable rants.”

Popmatters, 9/1/15

“Taylor’s third book takes a critical and shameless look at the state of society... The selling point here is his grouchy, comedic take on the human condition, but the real depth comes from Taylor’s keen awareness and humanity. While nobody can be the authority on people watching, in his detail Taylor comes very close. ... his power comes from his wicked smarts and observational skills he calls, “anthropological research”. *You’re Making Me Hate You* is a fun read...”

Daily Eastern News, 9/3/15

“Taylor is known for fronting the bands Slipknot and Stone Sour, but in his books he gives fans a more intimate look at his personality, which differs (mostly) from his aggressive stage persona... Taylor does a good job of balancing his social critique with meaningful self-evaluation in this book... this isn’t just an entire book of complaining. Taylor also makes a point to impart some of his wisdom with advice on how to live through some of the irking situations he mentioned... Taylor’s tone carries a hint of smartass without overdoing it and is mostly lighthearted, though it’s still guided by a grim outlook on humanity.”
