### A Guy's Guide to Sexuality and Sexual Identity in the 21st Century (A Young Man's Guide to Contemporary Issues) By Joe Craig

The teen years are a fertile and fevered period of self-doubt, self-exploration, and identity building. Teen boys experience enormous pressure to think and act in certain ways and to not "stick out" for any reason. This book seeks to lay bare the many pressures being exerted upon teen males to develop into a socially acceptable type of manhood. Tackling head-on issues such as bullying, peer pressure, parental disapproval, sexual confusion and anxiety, safe sex, and life as an LGBT teen, this book is for all teen males whether straight, gay, or bisexual who wish to grow into manhood in their own way and be the best men they can be.
