Beasts of Legend: Coldwood Codex (5E) (Beasts of Legend (5E)) (Volume 1) By Tim Hitchcock, Jason Nelson

A fantastical 5E bestiary of fey and undead! A good game can never have enough monsters, and the Coldwood Codex brings you 10 brand-new creatures suitable for use in any 5th Edition campaign, especially if your heroes are wandering in search of their fortune through the cold, desolate woods of the northern wilds. These creatures add a delightful bit of novel menace equally split between fey spirits bursting with the raw and wild energies of life and vile undead seething with the power of death. Drawing upon real-world folklore, classic fantasy tropes, and the design skills of the top creative minds in the business, the Coldwood Codex is an indispensable addition to any GM's monster toolkit. This ??-page monster product includes not only full-page color player-friendly handout portraits but also foldable paper miniatures for every creature! Future installments of the Beasts of Legend series will continue introducing richly detailed monsters carefully tailored to specific campaign themes, like the wintry menaces in the Boreal Bestiary, the pitiless creations of the Construct Codex, and the wide-ranging Asian adversaries in Beasts of the East! We hope you enjoy using it as much as we enjoyed making it, and that you'll keep coming back again and again to Make Your Game Legendary!
