Essential Survival Gear: A Pro's Guide to Your Most Practical and Portable Survival Kit By James Morgan Ayres

Disasters strike every day, but despite the best laid plans you may find yourself in one with only the clothes on your back and without a well packed first-aid kit. In *Essential Survival Gear*, J. Morgan Ayres explains in detail what you need to have when a dire emergency occurs, wherever you are, whoever you are. Ayres—a former Green Beret, martial arts master, and wilderness and urban survivalist—explains his four-layer concept (clothing, day bag, backpack, basic equipment and luxuries) and profiles and provides photos of a broad range of gear, with recommendations on what works best in what scenario—from cityscapes to wilderness and everywhere in between—and how to use it.
