Everything But a Groom (Everything But...Series Book 1) By Holly Jacobs

Every Hungarian grandma knows that words have power. Nana Salo never meant the words she said in anger to become a family curse, but that's just what happened. Her granddaughter Vancy is just the newest victim. Vancy's fiance has left her at the altar, and now the press is after a hot grandma-curses-granddaughter's-wedding story. Vancy doesn't believe in the Salo Family Wedding Curse, but when her groom ditches her and the press is hot on her heels, she's not quite so sure anymore. She's hiding out with Matt Wilde, owner of the Everything Wilde landscaping business, helping out with his two newly-inherited nephews as she figures out what to do. Matt doesn't believe in curses either, but he seems cursed with thoughts of Vancy Salo that he just can't seem to shake. A hoard of reporters, a guilty grandma, a gaggle of other family members, and two four-year-olds prone to stealing hearts and wreaking havoc: it's not exactly a classic situation for falling in love...but that's just what may be happening for Vancy and Matt.

From reader reviews:

Vivian Bennett:

What do you concentrate on book? It is just for students because they are still students or the item for all people in the world, exactly what the best subject for that? Simply you can be answered for that problem above. Every person has different personality and hobby per other. Don't to be forced someone or something that they don't desire do that. You must know how great and also important the book Everything But a Groom (Everything But...Series Book 1). All type of book could you see on many sources. You can look for the internet solutions or other social media.

Gerald Warfield:

Precisely why? Because this Everything But a Groom (Everything But...Series Book 1) is an unordinary book that the inside of the book waiting for you to snap it but latter it will zap you with the secret it inside. Reading this book alongside it was fantastic author who also write the book in such incredible way makes the content inside of easier to understand, entertaining means but still convey the meaning totally. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of positive aspects than the other book possess such as help improving your proficiency and your critical thinking technique. So , still want to hold off having that book? If I had been you I will go to the e-book store hurriedly.

Sandra Davis:

Everything But a Groom (Everything But...Series Book 1) can be one of your nice books that are good idea. Many of us recommend that straight away because this e-book has good vocabulary that can increase your knowledge in words, easy to understand, bit entertaining but nonetheless delivering the information. The writer giving his/her effort to place every word into joy arrangement in writing Everything But a Groom (Everything But...Series Book 1) however doesn't forget the main stage, giving the reader the hottest as well as based confirm resource information that maybe you can be one of it. This great information could drawn you into fresh stage of crucial pondering.

Lois Schooley:

Your reading 6th sense will not betray you, why because this Everything But a Groom (Everything But...Series Book 1) book written by well-known writer who knows well how to make book which can be understand by anyone who have read the book. Written in good manner for you, leaking every ideas and composing skill only for eliminate your current hunger then you still doubt Everything But a Groom (Everything But...Series Book 1) as good book not only by the cover but also with the content. This is one book that can break don't ascertain book by its deal with, so do you still needing another sixth sense to pick this particular!?! Oh come on your reading through sixth sense already said so why you have to listening to one more sixth sense.
