**Life in the Confederate Army: Being the Observations and Experiences of an Alien in the South During the American Civil War (Collector's Library of the Civil War)** By William Watson

### **‘Mr Watson has some very curious things indeed to tell us.’ – The Spectator**

In 1861 a Scotsman living in Louisiana took up the Confederate Flag. William Watson presents a narrative of his observations and experience in the Southern States, both before and during the American Civil War. Prior to the War, Watson lived in the hot, fertile state of Louisiana. With Lincoln in office, and the secession of the southern states, North and South was plunged in a violent Civil War. Watson recounts the widespread lack of political interest until the country reached this point. In a volunteer corps, Watson was surrounded by several industrial and commercial classes. His recollections include fascinating insights into the men he served with. Watson also gives his personal views on the causes of the war, and the conduct of both sides. Detailing the lives of the soldiers, Watson reveals their living conditions, the level of destruction and death and their daily rations. **William Watson** (1826-1906) was a Scottish native who moved to the Caribbean to work as a civil engineer. He later moved to Louisiana for business. While in Louisiana, he enlisted in the Confederate Army. He was one of many British citizens who had joined.

### **Editorial Review**

From the Back Cover

In 1861 William Watson, a native Scot who had established himself as a Louisiana businessman, enlisted in the Confederate forces although still a British subject. In 1887 he penned his memoirs "to give", he said, "a simple narrative of my experience in a war campaign". Far from simple, Watson's work clearly and forcefully describes his experiences with the 3rd Louisiana infantry in battles at Wilson's Creek and Pea Ridge while depicting the mundane aspects of camp life and providing delightful and colorful character sketches of fellow soldiers and officers, including the legendary General Ben McCulloch. But Watson offers much more than the story of a soldier's life. He also provides an excellent depiction of southern society undergoing the crisis of secession and the tumultuous early years of the Civil War.

About the Author

Thomas W. Cutrer is associate professor of American Studies at Arizona State University West. He is the author of Ben McCulloch and the Frontier Military Tradition and Parnassus on the Mississippi: The Southern Review and the Baton Rouge Literary Community, 1935--1942.
